Mr. Monforton:

I sent the below email to your client this morning at 9:07, and just received your fax. We did not receive a written grievance, just a transcript of your client's radio advertisement narrated by Mr. Cox from Judge Langton's law clerk. I look forward to your response. And to clarify, are you also representing Mr. Myers in the pending complaint before the Commission?

Regards,

**Jon G. Moog
